

FAGAN FLYERS MINUTES

MAY 8, 2010

The meeting was called to order by President Dee Fogarty. There were 24 members present.

The minutes had been received by the membership, by e-mail or postal service. The minutes were accepted as received.

Vice President Bob Basile read the treasurer's report. The current balance is \$4687.03, plus \$100.00 in petty cash. A motion to accept the treasurer's report was made by Sparks Burrows and seconded by Jim Vroman.

OLD BUSINESS –

Membership dues are up for renewal in April each year. Anyone who has not yet renewed their \$10.00 annual fee may do so by mailing a check, made payable to Fagan Flyers, to Gene Pigford, 2464 Road 13, Unadilla, NY 13849.

Pancake Breakfast - There is a sign-up sheet for those who wish to help out. Charlie Stokes will not be able to help this year, but the stamp and counter will be picked up from his home. Flyers are available for distribution. Announcements will appear in the PennySaver and Tri-Town News. Also the sandwich boards will be placed by the library. Bob Basile will contact the Sidney High School Interact group for help. The boy scouts have been asked to assist with parking. But this is not confirmed.

Prior to the breakfast an inventory of goods on hand must be done. Also, the box of raffle tickets was misplaced during the renovations, and must be located. Friday, May 21, at 2:00 p.m. volunteers will meet to set up the grills.

Several signs are needed: an 8 ½ x 11 raffle sign, and a pricing sign stating \$5 – Adults, \$3 – children under 12. Additionally, the sign by the snacks needs to be replaced.

Vacuum – A canister type vacuum, with attachments has been bought for \$240.00.

Lobby Furniture - We have not yet selected replacements.

Cleaning day will be Saturday, May 22, at 2:00 p.m. all volunteers are welcome.

Airport manager Jim Roberts has requested that we replace the deteriorating wood baseboard with vinyl.

The boy scouts will be borrowing many of our tables. If possible, we would like to have them identified with the name Fagan Flyers before they are borrowed.

Bill Dann has volunteered to paint the door to Bernie's office, and the front of the lobby counter.

Dick Doig reported on the scarcity of Aviation Medical Examiners in this area. Bernie suggested that the list of AME's be put on our web site FaganFlyers.com.

New member, Mike DiLorenzo, has done a lot of work on our web site. He reported recently receiving an e-mail from an old timer, Dave Logan, who had browsed the web site.

At 12:49, the meeting was adjourned. The motion was made by Jim Vroman, and seconded by Jerry Foote.
